

# Application for Materials Science & Engineering Minor

TEXAS A&M UNIVERSITY

Department of Materials  
Science and Engineering

Student Name: \_\_\_\_\_ Date: \_\_\_\_\_

UIN: \_\_\_\_\_ TAMU Overall GPR: \_\_\_\_\_

Major: \_\_\_\_\_ Expected Graduation Date: \_\_\_\_\_

Email: \_\_\_\_\_

*Students must meet and adhere to the following requirements and guideline in order to earn the Minor in Materials Science and Engineering:*

## Requirements:

- Consult with academic advisor in major department to formally register for the minor.
- Be in good academic standing within major department (GPR of 2.5 or higher).
- Obtain a "C" or better in each course taken towards minor.
- Achieve an overall GPR of 2.5 in approved minor program coursework.
- Submit completed minor worksheet to the Department of Materials Science and Engineering undergraduate advisor upon registering for final course(s) to complete minor requirements.

## Guidelines:

Student must complete this application form and consult with the MSEN advisor, prior to formally registering for the minor. The academic advisor in a student's major department is responsible for officially enrolling students in the minor program.
